

Can you imagine going to bed Sunday night, eager for Monday morning to come and your workday to begin?

Prepare to have your world rocked when we uncover and lay out what is wrong with “work” in today’s world. What has changed and why people are sacrificing their spiritual and physical health to daily jobs that have no meaning in their lives. And...the path to a true, meaningful, fulfilling and life-rewarding “Vocation.”

Join us for this workshop, and prepare to get excited about your passions and workweek!

In this *48 Days To The Work You Love Workshop*, you will learn how to:

- Discover your God-given and perhaps buried talents
- Take those talents and create a clear focus
- Embrace the “gift” of meaningful work
- Experience the absolute release that comes from finding your passion
- Understand the differences between “**vocation**,” “**career**,” and “**job**”
- Learn from the shared life stories of **those already living the 48 Days principles**
- Go through defeat and “failure” and **come back twice as strong**
- Find job possibilities that never appear in the newspaper or online
- Make \$1,000 a minute by negotiating your offer
- Turn your own ideas into extraordinary income
- Decide whether you want a “traditional job” or one of the new work models
- Recognize the only kind of “education” that has value
- **Build up your assets** , even while unemployed
- Find your IDEAL WORK – and LOVE it!
